Review of Long Course Senior Championship Meet announcement

Corrections were made, 400IM and 400 Free will be swum fastest to slowest alternating *Women and Men*. Incorrectly listed on 2011 meet announcement as Men and Women.

Motion was made and seconded to run the 400IM and 400 Free as follows:

Fastest to slowest first 4 heats of Women followed by the first 4 heats of Men, then alternating women the men for all remaining heats.

Motion was voted on and passed unanimously

Short Course CT Senior Championship Time Standards

Lengthy discussion of adopting time standards for both the Short Course and Long Course Senior Championships that are the same (following the same premise as age group committee adopted). Time standards were tabled until our next meeting to give the committee time to review present standards for both meets and develop times that are reasonable for both meets.

Discussion:

The committee had a lengthy discussion about the order of championship meets. Discussion about a natural progression developed with the feeling that it may be time for CT Swimming to look at running the CT Senior Meet last in the order, even if that means having the meet the same weekend as sectionals, as is being done in New England Swimming. Some feeling was that if the sectional meet is going to be continually held in Buffalo that CT Swimming could host as good or better Championship meet here is CT.

Further discussion to follow at the June committee meeting.

Next Meeting

Next Senior Meeting will be via conference call at 7:30pm on Monday June 4, 2012

The meeting was adjourned at 8:19pm

Respectfully submitted,

Bill Ball
