TIMERS: Teams will be required to supply timers based on the size of their entry. Teams will be notified of the number of timers they will need to supply per session by Monday before the meet. Please note that timers are required for entire session. It is the responsibility of each team and its coaching staff to organize its assigned timers and make sure they are signed in and present at the timers' meeting for each session. Please consider this well in advance and do not delay the start of the meet. Swimmers must provide their own timers and counters for the 500Y Freestyle.

OFFICIALS: Certified USA Swimming officials are welcome and needed to work on deck. Please list names and areas of certification and attach to entry form, or contact:
WARM-UPS: All teams must warm-up under the supervision of a coach or marshal. Coaches should register in the office when they arrive in order for their teams to begin warm-up. Any swimmers who do not have a coach in attendance MUST report to the Meet Director and have a supervisor assigned. The following warm-up procedures will be in effect: $12 /$ Unders and $13 / 18$ will have their own separate warm-up lanes, assigned by teams. 12/Under lanes will have a maximum of 15 swimmers assigned per lane. $13 / 18$ will have a maximum of 12 swimmers assigned per lane. 12/Unders will be provided with 20 minutes of general warm-up, $13 / 18$ will be provided with 25 minutes of general warm-up. General warm-up will be followed by 10 minutes of sprint lanes and pace and circle lanes. Warm-up assignments are to be submitted to Program Operations no later than Monday before the meet for approval.

PHOTOGRAPHY AND VIDEO RECORDING: Meet Management has the full authority to restrict any and all photography and visual recording at the meet. Photography or video recording (using cameras, video cameras, iPads, cell phones, etc) from the deck is prohibited by all individuals other than participating Coach and Athlete Members unless prior authorization from the Meet Referee or his/her designee has been granted. Flash photography is prohibited during the start of any heat, including whenever any swimmer is stepping up or standing on a block for the purpose of the start of a heat.

Additionally, the following "Non-Camera Zones" shall be enforced:

- Photography or video recording and the use of audio or visual recording devices, including a cell phone, is not permitted in changing areas, rest rooms or locker rooms.
- Photography or video recording (using cameras, video cameras, iPads, cell phones, etc) is not permitted in the area immediately behind the starting blocks at either end of the racing course(s) while they are in use for "race starting purposes" during competition and warm-ups.
- Additional "Non-Camera Zones" may be designated by Meet Management.

Any individual failing to abide by these rules may be ejected from the facility and be subject to a Code of Conduct violation at the discretion of Meet Management.

If individuals are properly credentialed, not obstructing movement on the deck and abiding by these rules, the following individuals may be allowed by Meet Management and the meet referee with prior authorization if they possess the following:

- Professional photographers with current, official media credentials that are promoting the sport of swimming
- Official team and professional meet photographers that are USA Swimming members, background checked, have signed off on MAAPP and completed Athlete Protection Training
- A participating athlete directly assisting a Coach, for instructional purposes, during an event using the Coach's electronic device

DRONES: Operation of a drone, or any other flying apparatus, is prohibited over the venue (pools, athlete/coach areas, spectator areas and open ceiling locker rooms) any time athletes, coaches, officials and/or spectators are present. Exceptions may be granted with prior written approval by the USA Swimming Vice President of Program Operations.
