Age for the meet will be swimmer's age as of February 27, 2004, with the following directive:

Swimmers shall not be denied the opportunity to attempt to qualify for Short Course Connecticut State Championships because of a birthday occurring within the time frame defined as the "Championship Period". The Championship Period is defined as the first day of the Regional Championships through and including the first day of the CT State Championships for the Short Course season. He/she may compete in the next higher age group if:

- 2) he/she has exceeded the maximum COT for his/her current age, and
- 3) he/she has not exceeded the maximum COT for the higher age group.

The meet director and the referee must be notified prior to the meet.

Swimmers whose birthdays do not occur during the Championship Period shall be required to swim their appropriate age group and shall not be permitted to swim in a higher age group under any circumstances, even though the age groups are defined as 10/U, 12/U, 14/U, etc. These classifications exist only for those swimmers whose birthdays fall within the Championship Period.

*Proof of time* is the responsibility of each coach. In accordance with CSI policy, (Integrity Statement 1/25/94), the Club from which a swimmer's time cannot be proven, shall be fined the sum of \$100 per event and the swimmer will be barred from the rest of the meet (including relays).
