ENTRIES: Swimmers may enter any individual event for which they qualify, but may only compete in three (3) individual events per day and a maximum of seven (7) individual events for the meet. **Clubs may enter a maximum of two relay entries per relay event. At least one swimmer per relay must be entered in an individual event. Swimmers entered in relay events only must be listed on the MEET ENTRY FORM and their USA numbers and ages must be included.**

ENTRY INFORMATION:

Swimmers must have equaled or bettered their entry times since January 1, 2005 and before the entry deadline. Swimmers entered at LCM/SCM must indicate such entry times on the entry form by writing LCM/SCM in red on the form.

CONNECTICUT SWIMMERS ONLY: A CT swimmer who has not entered the maximum number of events for a day (3) or the meet (7) is eligible to enter bonus events. For each qualifying event entered, a swimmer may enter one bonus event of 200Y or less, up to a maximum of three (3) bonus events for the meet. The ratio of one qualifying event to one bonus event (1:1) must be maintained. The bonus event and the qualifying event need not be adjacent. The 400M/500Y freestyle and the 400 IM are excluded and cannot be entered as bonus events. Please enter bonus events with an official time.

Swimmers meeting the eligibility requirements for bonus events, may enter two (2) distance bonus events (1000Y/800M and 1650Y/1500M freestyle) in addition to three (3) bonus events listed above, **but may only compete in three (3) bonus events. The 1000/1650Y bonus events must be entered with pre-proven times.**

In the event that the meet is oversubscribed, the bonus events will be cut first.

Entries will be done electronically and specific instructions are specified below under Entry Information.

The Entry Chair must receive a list of unattached athletes and relay-only athletes. Hytek users: do not create an "UN" club.

PROOF OF TIMES: All entry times must be pre-proven. List the date, meet and location where times were achieved on the summary sheet of the entry form. The results of any USA-sanctioned meet or a meet attested by a USA Referee or CIAC/Independent Referee will be acceptable as proof of time. Indicate the reference number of the proof beside each entry time to which it applies. Copies of the meet results from other than *Regularly Scheduled CSI meets* must be included with entry. Failure to pre-prove an entry time will prevent the swimmer from being entered in that event. Out-of-state meet entries may be proven by sending a copy of the cover page and relevant results. You should also bring out-of-state results to the meet.

Proof of time is the responsibility of each coach. In accordance with CSI policy, (Integrity Statement 1/25/94), the Club from which a swimmer's time cannot be proven, shall be fined the sum of \$100 per event and the swimmer will be barred from the rest of the meet (including relays). The \$100.00 fine must be paid by May 1, 2006, to the Connecticut Swimming office.

Relay times must be submitted with the team entry. The time for each relay may be submitted as a composite. Clubs will be limited to two relay entries only per relay event.

SCRATCHES: Coaches will receive a scratch envelope containing scratch sheets for each day's events. These scratch sheets must be turned in by 7:00pm on Thursday for Friday's events. For Saturday and Sunday's preliminary session the scratch sheets must be turned in prior to the start of finals of the preceding day. Swimmers who are not scratched and fail to compete in preliminary heats will be barred from their next individual event. **Coaches should plan to pick up their scratch sheets for the meet on Thursday evening. If this is not possible you must contact Nan Cooper (see page one) and make arrangements.**

Positive check-in is required for the 1000Y and 1650Y freestyle by 5:15 p.m. on Thursday, March 16, 2006. Scratches for Sunday's 1000Y and 1650Y freestyle are due 6:00 PM on Saturday.

A swimmer qualifying for a the A Final, B Final, or C final who fails to compete and who has not scratched shall be barred from all further competition in the meet and shall be fined **\$50.00** for each event not swum. Fines must be paid before May 1, 2006.

No penalty will apply, if:

- A. The referee is notified in the event of illness or injury and accepts the proof.
- B. A swimmer qualifying for finals based on the results of preliminaries notified the Clerk of Course within 30 minutes of the announcement of qualifiers that he/she may not intend to compete and confirm his/her final intention within 30 minutes following his/her last preliminary event.
- C. It is determined by the Referee that failure to compete is caused by circumstances beyond the control of the swimmer.

DISTANCE FREE: The 1000Y and 1650Y freestyles will be swum as timed finals. The 1000Y and 1650Y heats will be swum fastest to slowest alternating women and men. The fastest heat of women's 1000Y and men's 1650Y freestyle will be swum as the first event in Sunday's finals. The remaining heats of the 1000Y and 1650Y freestyle will be swum in preliminaries fastest to slowest alternating women and men. Non-qualifying times will be considered for both the 1000Y and 1650Y freestyle and swimmers are encouraged to enter even though they may not have a qualifying time. All swimmers achieving the times indicated on the order of events are guaranteed to swim (automatic times). If fewer than 24 swimmers achieve the automatic COTs, the fastest 24 swimmers qualify, though over-cut entries will be considered bonus events and are subject to restrictions. Please submit a copy or summary all meets not on the regular CSI schedule. Yard times will take precedence over LCM and SCM times. Conversions will not be accepted. Swimmers must provide their own counters for all heats and must provide their own timers for all heats except those swum during finals.

ENTRY DEADLINE: Entry deadline for all clubs is **9:00 p.m. Tuesday March 7, 2006**. Connecticut Swimming clubs will be entered first and are guaranteed entry into the meet.
