All coaches must present a valid USA Swimming coach Card to the Meet Director prior to the commencement of any sanctioned swim meet, and must have this card with them while on deck.

Entry Dates: Entries are accepted on a first come, first served basis. The meet manager and meet referee reserve the right to combine sessions, cancel relays, limit the number of heats in distance events, cut the 4th event, and adjust start times based on the number of entries received, with approval from Program Operations. Entries must be received by 6:00 pm, November 17, 2007; Connecticut Swimming teams whose entries are received by November 10, 2007 will be entered in the meet first. After that date, CT Swimming and out-of-state teams will be accepted based on dates/time the entries (including check) are received until the meet is full. Formal team entry date is determined by the date of entry hard copy and entry fee receipt by host team. If entries are sent via overnight mail, please waive the "signature required". Teams will be notified by Wednesday, November 28, 2007 in the case of changes.

Entry Limitations: Swimmers may enter events for which they are qualified but are limited to 4 individual events per session. Swimmers' 4th event must be circled in case of over-subscription. In the case of oversubscription, first 7/Us, followed by relays, and then all fourth events will be cut. If the time line estimate still exceeds four hours teams will be cut based on date of receipt. All changes are subject to approval by CSI Program Operations. Connecticut Swimming warm-up procedures will be used. The Meet Manager reserves the right to assign general warm-up by team rather than age or sex, if the size of the entry and considerations of safety so require.

Entry Format: Open to all 2007 or 2008 USA swimming registered swimmers. Please make sure to include their up-to-date registration numbers and age of all swimmers with the entry. Age group will be determined by age as of, December 2, 2007.

Times must be submitted in ***SHORT COURSE YARD TIMES***.

Teams are encouraged to submit entries either via e-mail to:

scp666@comcast.net

If attached in a zip file or a computer disk using HYTEK swim team program or any other program in the USA Swimming .sd3 format, an original computer generated copy of the entry with all pertinent team information and entry totals must be included. The name, phone number, email address and mailing address of a club contact must be included with the entry. Any computer-generated entry may be submitted by either e-mail or on a disk. Official CSI entry form must be submitted in lieu of a disk.

Unattached swimmers must be clearly indicated in red alongside the swimmer's name. Information contained on the original computer generated paper copy will be considered the official document of entry and supersedes any information contained on electronic disk or file with respect to resolution of errors/discrepancies. Meet results will be provided on disk to any team submitting its entries on disk. Teams with 5 or more swimmers will be assessed \$1 per swimmer if the entry is submitted on paper, without a disk.
