

Connecticut **FAST** PARENT My Account

To access the CSI Banquet Reservation form, parents must create a “My Account” in Connecticut **FAST**. This account is separate from a NON-ATHLETE account (Officials, Coach). Individuals may have multiple accounts using the same email address, however the passwords must be different. PARENT accounts allow parents to maintain submittals and information for more than 1 child.

At the front page of ctswim.org, click on [FAST Database](#)

Then click the blue colored “My Account” on the main menu.

The page has a blue header with the Connecticut Swimming logo on the left and a navigation menu on the right with links for Home, Database Query, Administration, and My Account. The main content area is titled 'Swimmer and Parent Login' and contains the following text: 'If you have never logged in before, click here to register your new login if you are a Swimmer' (with 'Swimmer' circled in red) and 'Or here if you are a Parent of one or more Swimmers' (with 'Parent' circled in red). Below this text are four input fields: 'Email Address:', 'Password:', 'New Password:', and 'Verify New Password:'. A 'Log In' button is located at the bottom of the form. A black arrow points from the 'Parent' link to the 'Email Address' input field.

On the Swimmer and Parent Login page, click on “Parent” link and the New Parent Login will appear. Fill out the athlete validation questions according to the example below.
