

To: All Board Members and the CT Swimming Community

From: Rick Lewis, General Chair

As some of you may have heard I was informed last week that Nan Cooper, our long-time administrator will be retiring soon. Nan has been the face of Connecticut Swimming for 22 years and has been the person that we have all gone to for the answers to all our questions about everything swimming in Connecticut. We will miss her thoughtful insight, opinions, and historical facts. We wish her all the best in her retirement.

As a result, we have begun the process of figuring out what we want from our office and to begin a search for a new administrator.
