RE: Enterprise Zoom License offer for teams

USA Swimming is pleased to offer clubs the opportunity to purchase an **Enterprise Zoom License** at a rate of \$120/yr. Licenses will be active beginning January 1, 2021, for one year.

Connecticut Swimming (CSI) is responsible for collecting information and payment from each interested club and submitting the requests and payment to USA Swimming no later than December 1, 2020.

- Clubs must request and pay for each license through their FAST Club Administration dashboard.
- Clubs must provide the following information to CSI for each license requested:
 - club name
 - club contact
 - club email – this will be the email that gets linked to the USA Swimming Zoom account.
 - Clubs may request more than one license, each license will have a cost of \$120/yr.

The Enterprise Zoom License includes the following features:

- Host up to 500 participants per meeting
- Unlimited Cloud Storage for recording your meetings
- Dedicated Customer Success Manager
- Webinar capabilities for up to 500 participants
- Unlimited number of meetings

Other information:

- If a club provides an email already in use on Zoom, *nothing will change for the user except that email will now be part of the USA Swimming account. If a club has a paid license currently beyond January 1, they will be asked what they want to do with the remaining, prorated balance (if they have one).*
- After December 15th, clubs will receive an individual email invite directly from Zoom (to the email provided on the LSC Enterprise Zoom License Form) to activate their account beginning January 1, 2020.
