

Model #1

- i. 10 and under SCY meet (finale) to be held a separate weekend than 11/overs. Possibility of holding it the same weekend as Senior Championships
- ii. One meet for swimmers 11/Over who are within a certain percentage of AG Cuts (Ex. - all kids who are within 10% of making the AG cut qualify for this meet.)

Model #2

No Change to the current LC Regional Format

Model #3

- i. One meet for swimmers who are within a certain percentage of AG Cuts (Ex. - all kids who are within 10% of making the AG cut qualify for this meet.)
- ii. The rest of the weekend is open for any and all CSI Teams to run meets. All meets must have a max cap time of the above qualifications.

Model #4

Eliminate LC Regionals all together and open the weekend to all clubs to host meets.

Model #5

- i. Silver Championships
One meet for the swimmers who are within a certain percentage of AG Cuts (for example - all kids who are within 10% of making the AG cut qualify for this meet.)
- ii. Bronze Championships
The rest of the weekend are meets bid out by CSI much like Regionals with max cuts, etc.

** Reminder- Regional pool assignment in the LC season is not alternated. 12 and unders need three facilities (outdoors or indoors). In the case we have 6 venues (three of each) the 13 and overs will be indoors.
