

An aerial photograph of a large, clear blue lake surrounded by dense green forest. In the foreground, a swimming area is marked with a white rope. Inside this area, there is a white inflatable slide, a blue and white inflatable ring, and a small wooden structure. Several colorful sailboats (blue, yellow, red, and white) are scattered across the lake. In the distance, a sandy beach is visible, and a few people can be seen on a red inflatable raft on the right side of the lake.

CAMP SKYLEMAR IS HIRING AN AQUATICS DIRECTOR

JUNE 8 - AUGUST 8, 2022

Camp Skylemar, a fabulous summer camp in Maine is in search of a top-notch Aquatics Director to lead our well-established (73 years!) swimming and boating program. \$9,000 for 8 weeks. Located on a virtually private two-mile-long sparkling clean lake. Housing, meals, laundry service and travel stipend provided. Families welcome! Help us make a positive difference in the world, one child at a time. We seek a creative, positive, safe and dynamic leader, who will inspire kids and staff members. The aquatics director will execute a Red Cross swim program, and must have the ability to teach counselors how to teach in small groups, sensitively and creatively. As a member of our leadership staff, the aquatics director will be an integral part of camp management overall. Known for our outstanding staff and attention to the individual child, Skylemar is a fantastic place to work.
