

Job Title: Assistant Swim Coach

Location: Stamford, CT & Norwalk, CT

Organization: Stamford Sailfish Aquatic Club (SSAC)

Position Overview

Stamford Sailfish Aquatic Club (SSAC) is seeking a dedicated and energetic Assistant Swim Coach to join our coaching staff. This position is ideal for individuals with a background in competitive swimming or coaching who are passionate about athlete development and enjoy working in a team-oriented environment.

The Assistant Coach will support daily training, reinforce technique, and help foster a positive, competitive team culture.

Responsibilities

- Assist lead coaches with daily swim practices
- Instruct and reinforce proper stroke technique, starts, and turns
- Provide constructive feedback and encouragement to swimmers
- Support practice organization and lane management
- Assist in preparing swimmers for competitions and relays
- Attend swim meets as needed, including weekends
- Maintain a safe, structured, and positive training environment

Requirements

- Prior competitive swimming or coaching experience required
- Strong knowledge of all four competitive strokes and training fundamentals
- Ability to work with swimmers of varying ages and skill levels
- Reliable transportation and ability to work at both Stamford and Norwalk locations
- Strong communication, energy, and teamwork skills
- USA Swimming certifications (or willingness to obtain):
 - CPR/AED & First Aid
 - Athlete Protection Training (APT)
 - Safety Training for Swim Coaches

Schedule

- Weekday afternoon and evening practices
- Weekend meets as required

Preferred Qualifications

- Experience coaching age group swimmers
- Background in a competitive swim club environment
- Interest in long-term coaching development

Compensation

- Position may be structured as hourly pay or annual salary depending on experience, availability, and role responsibilities
