

Weston Swimming Assistant Coach

Weston Swimming is looking to hire a **Part Time Assistant Coach** to work with all athletes of our program. **This coach would work 10-15 Hours per week between the hours of 5:00 PM-8:00 PM M-F plus Saturday mornings.** In addition would have availability to help out swim meets approximately 2 per month. **This is an hourly position, however can turn into a salaried position over time.** The ideal candidate would be someone who has swimming experience, but is new to coaching and wants to learn how to pass on the sport that they love to the next generation. This person will work under our lead coaches for each group helping provide feedback and assistance to all our swimmers. Working with the Head Coach helps design and implement practices for their athletes.

Weston Swimming is a 100-120 Athlete, Parent Board managed, Non profit Swim team. Including a developmental 8&U program, 9-12 yr Age Group Team and 13&Over Senior Program. We compete at meets ranging from CT Regional Championships to Eastern Zone Sectional championships as well as Jr National and the US Open traveling all over the country as far as California and Florida.

Our team philosophy is that all athletes deserve the attention and instruction to meet their potential and that as coaches we are here to guide them through their youth to achieve their highest goals both in and out of the pool. We have a close knit group of swimmers with a family feel from a small town but, we believe that we can compete at the highest level against the largest teams.

Prerequisites to apply:

- Must have experience working or competing on a USA swim, Collegiate, or HS program
- Must have or be willing to get certifications for Lifeguarding, CPR, First Aid, and all CT/USA Swimming educational requirements.
- Must enjoy working with athletes of all skill levels ranging from development to National.
- Must be available during Short Course (Early September - Mid March) and Long Course (Early April - Mid July).
- Must approach the sport from a mindset of working hard and loving the hard work. It is what we ask of all our swimmers and our coaches.

Additional Benefits:

- Competitive Compensation commensurate with Experience
- Ongoing training, clinics, in-services, and Certification classes are strongly supported by Weston Swimming and will be considered (and paid for in part or full) by Weston Swimming on a case-by-case basis.
- Paid Travel and Board for appropriate meets.
