

CT Swimming Athlete's Committee Minutes

Date: June 5, 2025

Location: Zoom/Online

Attendance: Caroline Gies, Caroline Ward, Greg Pinchbeck, Greg Pinchbeck, Ilse Fedoronko, Mackenzie Grey, Olivia Edwards, Niya Villanueva

Absent: Ava Ward, Luke Scheinfeldt (excused due to being added to the committee late), Julia Scalmani, Niall Easton

- Our goal for this committee: advocate for athletes, get them more involved, run events, revamp the social media, help in getting registration numbers up, promote CT swim
- Requirements for being on the committee: attend the 2 House of Delegates meetings, attend Board of Directors meetings (allowed 2 absences per year), attend Athlete Committee meetings (allowed 2 absences per year) - we are taking attendance!
- Check out the Robert's Rules doc, onboarding slideshow, and organization doc to better understand the format/lingo of these meetings to be prepared
- Eastern Zone Summit - Niall and Olivia to attend (yay!)

Next up:

- Swimmer Saturday video: each of you (or in pairs, depending on if you belong to the same club) need to film and edit a Swimmer Saturday video. This will be a bi-weekly series highlighting different swimmers from throughout the state. See my prior email for examples, and I am attaching a doc with a list of questions and more info/directions! This should be done by June 18th, or sooner if you can.
 - Henk is in the process of looking for prizes for this - our idea for right now is to have all of our videos made and ready to post, then the next 10(ish) people who submit a video ready to post get prizes to entice people to get involved in this!
- Instagram research: look at the Instagram accounts you were assigned and write down any cool ideas, events, or anything other LSCs are up to! Be prepared to share those ideas at our next meeting.
- BOD Meeting: June 17 @ 8 PM
