Announcements:

Chris Hug reported that CSI board activity over the summer was relatively quiet while the business of CSI continues to function well. Welcomed new members and reviewed board meeting format.

Adoption of the Minutes:

Hilary Berger read the new language which Chris submitted to replace the Wesleyan Donation summary over the phone. The amended minutes of the board meeting on June 15, 2011 were approved.

Old Business:

Strategic Framework Document:

Chris reported the following with regard to our progress with our strategic framework document;

Club Excellence:

*We are going to have a club management workshop at our House of Delegates meeting on Oct 1, 2011.

*We are communicating to our membership about athlete protection initiatives and policies

- Chris recognized the Senior Committee for adjusting format of Senior Meet
- Recognized Kaeley's work with her committee with Regional Championships
- CSI will be hosting a USA Swimming regionals coaching clinic in our area to make accessible to membership

New Business:

2011-2012 Meeting Schedule: Motion is made and approved to approve meeting schedule.

Volunteer of the Year; Rick Lewis reported that he and Ed Becker will be working on this and report at the October 1 meeting

Appointment of Committee Members: Tabled until the October 1, 2011 Board meeting. Standing Committees, such as Program Development, are defined by the CSI bylaws. Committee chairs will bring a list of potential committee members to the October 1 meeting. Suggestion is to solicit interest of current committee members and let them know there will a reappointment process that will include bringing new members on in addition to some currently serving.

Senior Committee Chair: A motion is made and approved to appoint Bill Ball to serve in the vacant position of Senior Committee Chair.

Reports of Officers:

General Chair: Chris Hug- Nothing added

Administrative Vice:Chair Rick Lewis- Acknowledges Ginger McCurdy for completing the Scholar Athlete work. He is now working on the banquet.

Treasurer: Mary Westcott : Long Course Age Group Championships income is down relative to last year because of unexpected high catering costs for coach/officials hospitality. Zone income/expenses are on track with CSI covering 38% and the parents 62%. Todd Gordon and Mary Westcott urged Board members to review and adhere to the budget and to follow the procedure for authorization to approve expenditures.

Finance Vice-Chair: Todd Gordon- Todd suggested exploring a more diverse portfolio using various instruments where 10-15% of funds are placed in interest-bearing municipal bond fund. This is not about creating risk, rather to take a very small part of our funds and investing it for return while leaving the majority of our money in safe instruments. This would require a change to the current CSI Investment Policy. Todd suggested doing long-term planning and emphasized a plan to use reserves and creating governance policies to insure reserves are used properly. Chris believes that since we are custodians of the funds we should frequently talk about this and encourage Todd to come up with suggestions.

Age Group Committee: Dave Reilly- Will bring the topic of SC Age Group Standards to Program Development committee. The current times maybe too slow and is concerned this is leading to over crowded conditions on deck at Age Group Championships. Chris encourages him to address this early. Reminds board that if it is early enough to correct standards or anything else if it creates improved fairness and doesn't prejudice our athletes.

Senior Committee Chair:Bill Ball: He will look at Athlete of the Year and is just getting started with his role as Chair of the senior committee.

Program Development: Jeff Gray: nothing added

Program Operations: Tak Takabayashi: Will be bringing suggestions addressing meet structure to Program Operations Committee (as a possible example: to have holding trials/finals meet as a pre-requisite to bidding on meets).

Technical Planning Committee: Kaeley Steinnagel - Kaeley will talk with Bill Ball about high lever senior meets.

Coach Representatives: nothing added

Athlete Representative: Molly Condron (Kaz,Ty,Lexi too)- Reported on positive experience the 3 athletes who attended had at convention and highlighted the emphasis on Athlete Protection Law and the Deck Pass Program. Deck Pass is a USA Swimming program, a virtual portal for swimmers and coaches to earn patches for achieving various goals. It also tracks times, posts results, and rankings and has a mobile application. Chris suggests and it is agreed to put this up on "what's new" and also send out an e-mail. Website is usaswimming.org/deckpass. Nan will ghostwrite for this for athletes. Athlete Protection: Focus at convention on anti-bullying for

swimmer to swimmer, swimmer to coach and also prohibiting sexual misconduct. Additionally filing of false allegations is punishable. Dave Reilly congratulates Athlete Reps for their outstanding participation at the convention.

Coach at Large: George Bradner- Nan and George working together to explore ways to use the CT Swim website to communicate better to coaches. Working to create way that people can sign up automatically receive information that they are interested in from CSI.

Safety Committee Chair: Ed Heath- Not present

Officials Committee Chair: Ed Becker – Not present

Registration/Membership Coordinator – Judy Snow- All non-athletes need to complete new athlete protection test. She also has a few people who have not yet completed background screening. Registration number will be reported once available.

New Items

CSI Delegation Report: Dave Reilly (Ed Becker attended as well)

- Focus on Athlete Protection and the testing that coaches and officials and all USA swimming members must take. It is an online course and test.
- LSC workshop: Eastern Zones going to be moving back to Buffalo to University of Buffalo
- Connecticut Coach Tim Murphy formerly of Wilton Wahoo's is the coach for the Open Water Team for the Olympics,

Wesleyan Donation:

Bill Ball raised concern prior to the board meeting that minutes were not clearly communicating the decisions made about the Wesleyan donation. A general discussion occurred and agreed that more attention will be given to the clarity and accuracy of meeting minutes. No objection was made to his suggestion. Chris validated Bill's right and responsibility to question issues of transparency. Jeff Gray asserted that Chris has all along been acting with the approval and authority of the board. The board was not acting intentionally to cover anything up whatsoever. A motion was made by Bill to re-enact the December proposal to Wesleyan where CSI does not make a donation to Wesleyan for \$30,000 and CSI goes back to the original proposal. Discussion was held. Motion withdrawn. The Board resolved at the June 15,2011 meeting to fully and finally go forward with the donation.

Respectfully submitted,
Hilary Berger
