

Banquet Committee
9/6/2022 Recap

Present: Henk, Greg, Christine, David & Kaeley

Discussed the following:

UPDATES:

Banquet RSVP is live

CT jacket is live for purchase

AV is booked- thank you David

Balloons are ordered- let me know color scheme

Thank you to Student Athlete Reps for their work on the jacket design and research finding an affordable nice jacket.

Kaeley- thank you for dealing with all of our questions since none of us have been on the in-person committee before.

Henk- thanks for everything!!

Greg- thanks for keeping the meetings on point!

TO DO:

Greg- update on Biesel's participation (emcee)?

Henk- how many invitees and how many RSVP's have you received?

Student Reps- have you discussed with your reps them working check-in?

Sam- do you still feel strongly about speaking at the banquet; not just presenting awards? If yes, how long did you plan on speaking? We all thought that was a great idea.

DJ- do we want one? Is there house music?

Photo Booths- there was talk early on about having two booths. Do we still want this? Is it manageable?

Attendees- I have had a few people reach out and ask if both parents and siblings can attend. I'm all for having them. Their ticket will cover their cost so I don't see it as an issue. Thoughts? What was done in past?

Program- does this go out to a specific printer?
