- Approval of Minutes January 12, 2011: motion made to approve agenda; second; motion approved.

Committee Reports:

- **Senior Committee:**
 1. Outside of a Senior Committee meeting, SC Senior Championship finals configuration was discussed. Anecdotal responses were shared. There were favorable responses from athletes and coaches at the meet. It was felt that athletes swam faster in the morning, although as the meet progressed this was less obvious most likely due to fatigue. Negative responses centered around reduced opportunities for athletes to experience swimming in finals, many of the same athletes in the top 4, and forcing coaches to adopt a coaching strategy they may not agree to.
 2. Reviewed 2011 LC time standards at the February meeting. Standards were tightened in anticipation of a larger meet due to Senior Championships falling a week earlier in July.
 3. Reviewed 2011 LC Senior Championship meet announcement. No changes other than housekeeping.
- **Age Group Committee:**
 1. Reviewed 2011 LC Age Group Championship meet announcement. No major policy changes but did clarify the time scratch sheets are due. Discussion continued at this meeting regarding best language to convey the scratch deadline.
 2. AG Committee reviewed the 2011 SC Zone Team competition and travel. Overall, the trip was very successful. Coaching was excellent and athletes performed at high level. A National Age Group 10/U record was broken (M. Limbacher, 50 Breast) and 11/12 Eastern Zone records were broken (Bryce Murad).
 3. Committee presented a CSI Championship Meet proposal drafted by Dan Mascolo. This is a summary of Age Group and Technical Planning Committee discussions over the past year. Program Development Committee members will

review the proposal and be prepared for review and discussion at the May Program Development meeting.

4. LC Age Group Time Standards were approved. Joanne McCaffrey (Time Standards Chair) reviewed the cuts and explained her reasoning specifically regarding why the SCY time standards were tightened. Question regarding the 10/U 400/500 Free was raised and discussed.
- **Technical Planning Committee:**
 1. Reported that only 2 of 3 sites for the LC 13/O Regional Championships had been awarded by bid and stressed the importance of a third site. A reminder will be sent to Program Operations and this will be added to the Board of Directors meeting on April 13, 2011.

Old Business:

- Adapted Swimming Committee Chair appointment: no firm candidates have been identified yet. It was suggested to consider Gary Cavaliere, Mark Kinne, Galen Rinaldi, and Ryan Loechner.
- Technical Planning seeking new direction for LC Age Group Championship: No discussion.

New Business:

- LC Championship Time Standards
 - LC Senior Championship Time Standards: no further discussion, beyond Senior Committee report. Motion made; second; approved. Time standards are part of the attached Senior Committee minutes.
 - LC Age Group Championship Time Standards: Motion made to approve the time standards, except the 10/U 500/400 Freestyle which are to remain unchanged from 2010; second; approved.
 - LC Regional Championships Time Standards: Tabled until the number of 13/O meets is finalized. Times standards will be emailed to this committee when available or presented at the May meeting.
- LC Championship Meet Announcements
 - LC Age Group Championship meet announcement was approved with the following changes:
 - Dates to be updated.
 - Ed Becker added as Meet Referee instead of Monica Prangley
 - Page 3 under Schedule – NOTE WELL: change “by 10:00 PM” to “**approximately 10:00 PM**”
 - Page 4 under Scratches, 3rd bullet point – insert the specific time of 7:15 am so that the first sentence reads, “**Scratch sheets shall be due at 7:15 AM.**”
 - LC Regional Championship meet announcement was tabled until the May Program Development meeting.
 - LC Senior Championship meet announcement with no substantive changes. Motion made; second; approved.
- Zone Team Policy and Procedure Review:
 - Age Group Committee feels the current Zone Team eligibility and selection criteria is fair but would like it articulated to coaches and parents. Ways to improve education about the Zone Team eligibility/selection criteria and the

- entry/appeal process were discussed. Suggestion was to prominently place this information as separate links on the Zone Team page of the website.
- Age Group Committee and Zone Coordinators to conduct a thorough review of Zone Policy, including presentation of information, eligibility criteria, appeals process, and past policy revisions; will bring updated policy and procedure statement back to PD for formal review and approval prior to 2011-12 short course season; AG Committee will review issues prior to 2011 long course season to ensure that present policy and eligibility criteria are clear and communicated; discussion of communication of policy and criteria and presentation on Zone page.

On April 11, 2011, CSI was notified of a USA Swimming Diversity Camp to be run in June 16-19, 2011 in Philadelphia. USA Swimming is asking the LSCs to fund two 13-16 year old athletes, 1 coach, and 1 Diversity Coordinator. The goal is to empower athletes and coaches from ethnically under-represented populations that are less than 20% of USA Swimming's membership. Application is due May 20, 2011. This is moved the Board of Directors April 13, 2011 meeting for approval of funding for transportation and \$200 per attendee.

- Joanne Lindberg will put together selection criteria for the athletes and coach. Suggested criteria for athletes were:
 - Championship meet qualifier, then
 - Number of championship meet events qualified for, then
 - Highest place finish

CSI Championship Meet Proposal

Goals:

- Conduct fun, LSC level championship meets conducive to excellent swimming.
- Promote a sound and logical championship progression from Age Group to Senior swimming in CT.
- Prepare CT swimmers for Senior Level swimming beyond the LSC (Zones, Jr./Sr. Nationals, Olympic Trials, US Opens, College, etc.)
- Obtain long-term alignment with top ranking LSCs (defined by virtual club championship rank)

Connecticut Swimming Inc. has seen significant growth in athlete membership over the past 10+ years. This growth has been a great boost for the sport of swimming in CT. This growth however, presents challenges to conducting LSC level championship meets, in particular a single meet that can serve all levels (10/U, 11-12, 13-14, and 15/18 year olds) of swimming at the LSC, namely the current Age Group Championship Meet. The most recent SC Age Group Championship Meet was once again a great meet, but the crowding on the deck and in the stands and parking lots was at times bordering on unsafe and certainly an annoyance to spectators, athletes and coaches. The crowding and timeline issues that it brings take away from the true focus of the meet which should be fun and excellent swimming.

With this in mind as well as an overall desire to produce an age group program that educates and prepares swimmers for Senior Level swimming in CT and at Zone and National level meets, the following comprehensive proposal for the Championship Meets is being made:

Regional Championships: *Changes proposed by others yet to be implemented*

There does not seem to be much of a consensus that additional changes are needed at the Regional Championship Meet Level. Recent acceptance of time standards and the addition of a third location for LCM is an attempt to solve issues of overcrowding. These changes should be given 2 years before looking at them again.

Age Group Championships: *Comprehensive Changes*

1. Change the meet to a 14 and Under meet. With the following Sessions:
 - Thursday Night 14/U Distance Events
 - Fri, Sat, Sun Mornings 11/12 and 13/14 Preliminaries
 - Fri, Sat, Sun Afternoon 10/U Timed Finals
 - Fri, Sat, Sun Evenings 11/12 and 13/14 Finals
2. Prepare a plan to evaluate and adjust qualification times for 11/12 and 13/14 year olds (likely tightening progressively) to establish a balance between timeline, opportunities for

swimmers, and the desire for a highly competitive meet. These proposed changes are intended to due the following:

- Promote morning/evening pattern of championship meets earlier in the athlete's progression.
- Allow 11-12 year olds to receive adequate rest and nutrition between prelim and finals sessions, currently only 30 min-1 hour between the end of prelims and the start of Finals warm up.
- Allow 10/U to use the full 9 lane course with the addition of breaks, which could include medal ceremonies where the athletes are stepped up on the podium or blocks for their awards.
- Reduce overcrowding on the pool deck, in the parking lot and in the stands, especially during the transition from morning to afternoon session.
- Put CT in line with more successful LSCs (defined by virtual club championship rankings).
- Define Age Group Swimming in CT as 14/Under.
- Eliminate delays in producing the evening finals meet program, which would be finalized during the 10/U session.

Senior Championships: *Changes to times standards to accommodate a transition*

The recent adoption of the 4 swimmer championship final format appeared to increase competition during prelims. This format or a modified version (if a new pool configuration is possible after Wesleyan upgrades) should be continued.

However, the following changes should be instituted at the Senior Championships in order to accommodate swimmers that will no longer be eligible to compete at Age Groups:

1. Change the 2012 SC Senior qualification times to the easier of either:
 - a. The current Senior qualification time; or
 - b. The current 15-18 Age Group qualification time
2. Prepare a plan to evaluate and adjust qualification times (likely tightening progressively) to establish a balance between timeline, opportunities for swimmers, and the desire for a highly competitive meet.

These proposed changes are intended to due the following:

- Allow swimmers that are currently making a transition from AG to Senior swimming the opportunity to improve with the Senior Championship time standards and not be alienated from an LSC level championship meet due to the changes proposed for AG Championships.

Summary

Elements of this proposal have been discussed previously dating to many years ago with varying levels of support. CSI is at a point now however, where we need to take a long term approach to the planning of the championship meets. We have been reactionary, but I feel it is now time to be proactive. This proposal is submitted with the intent of working toward a full quadrennial plan for CSI following the 2012 Olympics to align with USA Swimming and other successful LSCs.

It is my belief that if we implement this plan in the near future and continue with this format through 2016 we will increase the number of swimmers CSI has qualifying for Jr/Sr Nationals, US Opens and Olympic Trials. A shift in the conventional way of thinking is sometimes hard to accept. However, our membership has never been so high and we are coming up to an Olympic year when we can once again expect our numbers to grow.

Dan Mascolo

ANNOUNCEMENTS AND REPORTS

OLD BUSINESS

- Zone Asst. Coach election
 - Spencer Hartmann
 - Alicia Ramezs-Guerrette
 - Mark Kinne
 - Brandt Nigro

NEW BUSINESS

- SC Zone Recap

Randy LaRocca reported that the Zone trip went well. Patti Murad and Phil Limbacher served as Zone Coordinators for the trip. Chris Woolridge was an excellent Head Coach and all the Assistant Coaches meshed well. There were no issues during the trip. Matthew Limbacher set a National Age Group record in the 50 Breaststroke and Bryce Murad broke several Eastern Zone meet records. Also noted was a dearth of 13/14 year old girls who signed up for the trip. Finally, discussion was had regarding the future of the SC Zone trip and whether we choose an alternate “All Star” trip.

- SC Zone Team Selection issues

We discussed the issue that arose regarding the 4 CSI meet minimum requirement that prevented several swimmers from being on the Zone team. Consensus was that the requirement would stay the same, but should be publicized better and the coaches need to be made aware of the requirement. Dan noted that the cancellation of two Cheshire meets was an anomaly and that previous meet cancellations were usually the result of under-subscription. Voted 5-0-1 to keep the standard the same. Consensus also was noted that the way Program Development handled the protest could have been better – calling for an emergency PD meeting and voting on the decision should have been an option.

- LCAG Meet Announcement

Meet Announcement was approved 5-0-1 with these minor changes;

1. Dates to be changed
2. Ed Becker added as Meet Referee instead of Monica Prangley
3. Page 3 under Schedule – NOTE WELL: change “by 10:00 PM” to “**approximately** 10:00 PM”
4. Page 4 under Scratches, 3rd bullet point – insert, “**the pool opens for**” after the word ‘after’ in the first sentence.

- LC Time Standards

LC Time Standards were approved 5-0-1. Typo under 13/14 Girls 100 Back should read 1:05.49 instead of 1:95.49. Joanne noted that the SCM times will be converted after the Time Standards are approved.

- Direction of Age Groups

Dan Mascolo introduced a proposal for the committee to review, (which is attached.) Proposal was approved 5-0-1 with the understanding that changes to AGC have to be in concert with the proposed changes to Senior Championships. King and Dan will introduce the proposal at PD meeting.

Computer entry files should be coded to indicate the course in which the time was achieved

WARM-UP, SCRATCH, RELAY & DISTANCE EVENT PROCEDURES

CHECK-IN/WARM-UP: All clubs must warm-up under the supervision of a coach or marshal. Coaches must check in at the beginning of the meet in the office in order for their club to begin warm-ups. Swimmers without a coach in attendance must report to the office and have a supervisor assigned. Lane assignments for general warm-up will be provided in the coaches' packets and are subject to the discretion of the Meet Referee. No diving will be permitted, except in the assigned lanes during one-way Sprints. Pace lanes will be available during sessions. Due to limited warm-up space, **only swimmers entered or expected to swim relays in each session may enter the pool in that session's warm-up period.**

SCRATCHES:

- Scratches for Thursday Evening's events ONLY are due in the CSI office by 8:00 P.M. Wednesday, July 28, 2010. Send scratches by email only. No telephone scratches. Late scratches may be accepted at the discretion of the Referee if submitted to the Referee with explanation in writing prior to the beginning of warm-ups.
- Positive check-in is required by 5:00 PM on Saturday July 31, 2010 for Sunday August 1's 800M freestyle events. Failure to positively check in by the stated time will result in the swimmer not being seeded into the event. Any swimmer who does not scratch the event by the scratch deadline on Sunday (and did not positively check in) will be seeded at "NT". If you positively check in and don't scratch, you swim and are seeded based on your time. If you positively check in and scratch, you don't swim. If you miss the positive check-in and don't scratch, you swim and are seeded with "NT"
- Scratch sheets for all sessions shall be due 15 minutes after warm-ups begin. If a scratch sheet is not received by that deadline all swimmers will be considered NOT to be scratched and will be seeded in their entered events, except that any over-entered swimmers will be scratched from their last event(s) other than the 800 Freestyle until they are in compliance with entry rules.

- Swimmers who are not scratched and who fail to compete in preliminary or timed final heats will be barred from their next individual event. Please note that a medical scratch accepted in advance by the Meet Referee or her/his designee counts as an event and is regarded as a DQ, with no penalty imposed.
- Additionally, a swimmer qualifying for a consolation or championship final who fails to compete and who has not scratched will be barred from further competition in the meet. A swimmer who fails to appear for a final heat on the last day of the meet shall be fined \$50 for each event not swum. Fines must be paid before October 1, 2010.
- *No Penalty shall apply for Failure to Compete in finals if:*
 1. The Referee is notified in the event of injury or illness and accepts the proof.
 2. A swimmer qualifying for a final heat based on the results of preliminaries notifies the Announcer's table in writing within 30 minutes after the announcement of qualifiers that he may not intend to compete and confirms her/his final intentions within 30 minutes following her/his last individual preliminary event.
 3. The Referee determines that failure to compete was caused by circumstances beyond the control of the swimmer.

RELAYS: All relays will be swum during preliminaries (timed finals for 10/U) on a timed final basis. Relay cards will be given to club coaches, who must list the relay swimmers names in order of swim. Any changes in names of the competing swimmers or their order of swimming must be declared to the Head Lane Timer prior to the start of the heat in which the relay team is entered. No further changes will be permitted. **Attention all teams entered in Thursday's Relay events:** Each team must provide their own timer for each relay entry. Timers should be ready and in place prior to the conclusion of the previous heat.

DISTANCE FREESTYLE EVENTS: The 10/U 400M Freestyle, the 11/12 400M Freestyle and the 13/14 & 15/19 800M and 1500M Freestyle events shall be conducted on a **timed final** basis, swum fastest to slowest, alternating girls and boys. In the 800, the fastest heat of women and men shall be conducted as the first event of finals on Sunday evening. Swimmers must supply their own lap counters. Except for those swimming on Sunday evening, swimmers must supply their own timers. The meet program is not the final determinant of seeding. Late entries, corrections or scratches may impact which swimmers will swim in the evening. Seeding will be posted as soon as possible after the scratch deadline.

TIME TRIALS: On a time available basis, time trials may be conducted on **Friday and Saturday only** for swimmers who have qualified and entered an individual event in the meet. Time trials will be held following the preliminary sessions if the scheduled events are concluded within 3 1/2 hours of the scheduled start time of the session. Swimmers are limited to two (2) individual time trials during the course of the meet. Time trials are counted as individual events for the purpose of determining the maximum number of individual events a swimmer may swim each day or over the course of the meet. Time trials will not be offered for either the 800M or the 1500M Freestyle events or on Sunday. Time trial entry fee is \$6.00/ individual event and \$11/ relay event. Time trial swimmers must provide their own timers and counters. Time trial requests must be submitted to the Administrative Referee no later than 10 a.m. each day for swimmers 13/O and 10 a.m. for swimmers 12/U. Time trials shall be swum in the order listed in the meet program as follows. Day 1: That day's events followed by the remaining events in the meet. Day 2: That day's events followed by the events of the remaining day(s) in the meet, followed by the events of the previous day.

If any entry times must be corrected, the fee will be \$5.00 per correction. In accordance with CSI rules, proof of time is required and this procedure shall **not** be used to improve seed times, including a change in course. Prior to correcting entry times, the original proof of time will be checked to ensure the correction is not an improvement in seed time. CSI is not responsible for entry errors based on incorrect meet files, server/computer problems, software bugs, etc.

OUTREACH ATHLETE: Entry fees for CSI registered Outreach Athletes are waived. When submitting the meet entry, the entering club must request, in writing, that the individual entry fees be waived for the Outreach athlete(s) listed on the club's entry. The Entry Chair shall confirm the Outreach status of the athlete(s) using USA Swimming's national registration database. If confirmed, all individual event entry fees shall be waived for that Outreach Athlete(s).

WORK ASSIGNMENTS:

- Team entry in this meet constitutes acceptance of team responsibility to provide workers as assigned by the Meet Director. All teams are required to provide workers (e.g. safety coordinators, timers, runners, marshals, officials, etc.) in proportion to the size of their entry. Team contacts will be notified of their team's work assignments by Monday, July 26, 2010. Teams who would like to volunteer for specific jobs (computer, announcer, hospitality, office, awards, etc) should contact the Meet Director by July 21, 2010.
- Work assignments for finals will be posted as soon as possible following the closing of finals scratches. Workers should appear and sign in at the pool deck office prior to the beginning of warm-ups and remain through the conclusion of finals.
- Those interested in officiating should contact the Meet Referee by July 22, 2010. From this pool of officials, the Meet Referee shall select, schedule and notify all meet officials of their assignments. Officials

who make commitments to work prior to this deadline will be counted in your club's work assignment. It may be necessary at the discretion of the Meet Director and Meet Referee to limit the number of officials receiving team credit for working at Finals. Some officials may be asked to act as timers or take other jobs as needed.

OLD BUSINESS

Senior Circuit feedback from New England and Metro LSC's

Bob reported on the Conference call with representatives of Metro and New England. Metro was more interested in making changing their meet to better help their situation. The Metro meet is not going to be able to be what the other LSC's want. New England is having issues finding a venue. There was discussion about using the CT Swimming Senior Invite as one option and possibly the WRAT Spring Senior Invite as a timed final version.

New Business

CT Senior Invite Dates:

Due to the snow days and the great possibility of high school Graduations being moved to later in June it was proposed to move the dates of the Senior Invite to June 2-5, 2011.

Voted and passed 4-0

A proposal was also made to move the meet from UCONN to Wesleyan if the facility is available.

Voted on and passed 4-0

Bob Shearer will speak with Nan Cooper to have her contact Wesleyan for availability and attempt to lock that date in for the invite.

LC Senior Open Qualifying Time Standards:

Discussion about the fact that the meet is a week earlier and more of the Y teams may now attend in force. Also discussed were the yard time standards and trying to adjust the yard times to limit the number of yard qualifiers. Feeling is that the Long Course standards are in line and any adjustments will be made to the yard standards for this meet.

Long Course Meter standards for the following events were discussed and proposed:

Men's 200 Free	2:08.99
Women's 200 Breast	3:02.39
Men's 200 Breast	2:57.99
Men's 100 Breast	1:19.99
Men's 200 Back	2:32.59
Men's 100 Free	58.69
Men's 200 Fly	2:33.99

Yard standards for the following were discussed and proposed:

Women's 100 Free	55.59
Men's 200 Back	2:12.19
Women's 200 Back	2:16.29
Men's 400 Free	4:57.99
Women's 100 Breast	1:11.59
Men's 200 IM	2:06.19

Voted on and passed 4-0
