Approval of Agenda

Approval of Minutes (November 2019)

Announcements – Program development will be meeting every two weeks to discuss the current situation as will the CT Swimming BOD. Regular updates to the LSC will follow these meetings. At this time it is uncertain when the long course season will officially begin.

New Business

1. Discussion on rescheduling 2020 LC Senior Championships to a later date.
 - The committee was in favor of running a meet July 9-12 but may need to adjust time standards and the format (perhaps running the July 9-12 as a SCY meet). Offering a senior event at a later date for our LSC swimmers in early to mid August was discussed. At this time a definite decision cannot be made, but ongoing discussion will take place.
2. Fall 2020 – Summer 2024 Quad plan
 - Discussion was held regarding Program Development's proposed quad plan for Fall 2020-Summer 2024. A motion to accept Program Developments proposed quad plan passed 7-0.
3. Review of SC Senior Championships and LC Senior Invite
 - LC Invite in March hosted 300 athletes in total with 492 total entries. Despite the small entry size the meet ran well. Thank you to Tak Takabayashi and John Spadafina for their efforts on running a smooth meet. Further discussion was held on trying to offer this format again in the future. Perhaps running a senior invite LCM in February during an Olympic Year and running Senior Champs in March SCY. Further discussion on following this format for the 2020-2021 short course season. Committee members were asked to reach out to others for feedback on the event and brainstorm some ideas for further discussion at our upcoming meetings.

Adjourn – 4:17pm
