ANNOUNCEMENTS AND REPORTS

OLD BUSINESS

LC Regional Championships

- Cut off times will be presented to Program Development for approval
- Current 2009-2010 Regional cut off times will be used

NEW BUSINESS

- Proposal to have a 14 and under LC Age Group Championship Meet and CT Senior Championship Meet
 - Due to discussions no motion can be made on this topic at this time. Numbers and format questions to be answered.
 - Proposal needs to be supported with more information before going forward.
 - Kaeley will put together numbers together showing how many 15 and over swimmers would be affected by pulling the 15 and over age group out of LC Age Group Championships.
 - Assuming we as a committee move forward with this proposal the goal of the TP Committee would be to present a full LC Championship Meet format to Program

Development.

- We will add a meeting date in February to discuss the number of 15 and over swimmers affected by the Championship Meet proposal. If it is decided we move forward, the direction will be discussed in February.

Meeting adjourned: 10:03 PM
