RE: Proposal for 2010 LC Age Groups

Goals: Manageable timeline for 13/over sessions. Keep Age Groups for the "Age Group" level swimmer. Gives said Age Group swimmer a better opportunity to swim in finals.

Proposal: To cap the 15-19 year olds COT for LC Age Groups by using the previous year's 20th place time from LC CT Seniors. Use Swim Info's conversion chart for a direct conversion for SCY and SCM COT.

Benefits:

Makes LC Age Groups a "TRUE" Age Group level meet.

This proposal has no affect on LC Regional meets, which in our opinion are too long, too big and unsafe due to the number of swimmers on deck.

No affect on CT Seniors

May allow AGC to loosen the 15-19 cuts a tad.

Age Groups can now be a stepping stone between Regionals and Seniors for 15-18 year olds.

Allows for a true progression in the summer.
