NEW BUSINESS

LC Age Group Proposal

The idea of making any changes to LC Age Groups has been put aside for the time being to focus on improving the full LC season for our CT swimmers.

Regional Championship Weekend

Looking to "revamp" Regional Championships to make the weekend more substantial for all our swimmers.

Also want to look at the other weekends during the LC season where CT Swimming has control of facilities. Looking at targeting the weekends.

TO DO LIST:

Talk to Mike Huffman about 2010 LC Regionals (numbers) and invite him into

the conversation to look at the regional weekend and how we would break it down to make sure our swimmers are covered. Also check how things are going for UCONN.

Talk to Nan- get the weekends available for Wesleyan

Bob Shearer will forward a list of logistical questions that should be addressed (will forward it when I get it).

Contact teams with long course facilities and see if they would be available that weekend.

IDEAS:

Put together a meet announcement for that weekend

Have proposal ready to present to PD in January, so it can be tweaked and represented if needed in February.

MEETING IN JANUARY- Thursday, January 6, 2010 in Orange at 7:30 pm. NEED EVERYONE!

Meeting adjourned: 9:32PM
