

*Connecticut Swimming
Athlete Committee Meeting
Monday September 3, 2012 @ 7:30
Teleconference*

Call to Order: 7:08

Attendance: Kaz Takabayashi, Hevin Na, Ty Seymour, Asia Langley, Jordan Berger, Coral McNary

Absent: Matt Luther

Reports:

Banquet (music):

Music that they play at Age Groups and Seniors playing before anyone starts talking. No to any music playing while the awards are being called up.

Approved

Camp Ideas:

Catch the Spirit Camp

Decided that the easiest camp would to be simply run a catch the spirit camp. Will conduct another meeting further on to discuss.

Jordan Berger and Kaz Takabayashi attended the camp a long time ago and filled in the other members about how the camp was run. Brought in Jason Lezak and Ed Moses.

In response to lack of volunteers decided that community service hours would be given to those high schoolers who would take time out of their busy teenage lives to help with basic set up and such.

Date? If possible during the month with the least meets (January?)

Practice idea

A practice held over a weekend inviting teams to gather at a facility to practice together. Would be split up into sessions of 10 and under, 11/12, 13 and over.

Committee Survival:

Good job people!

**Attendance at the House of Delegates was mentioned by Ty Seymour to the committee.
Anyone is welcome!**

Motion to adjourn meeting at 8:37, second, motion approved.
