

CONNECTICUT SWIMMING, INC.

INITIAL SPLIT TIME CERTIFICATION

INSTRUCTIONS:

- A. Initial split times may be officially certified using this form. Touchpad times are preferred, but the middle of 3 watch times is acceptable when a failure of the touchpads is verified.
- B. **Coaches:** Please complete the next section and present to the Referee well in advance of the event. We strongly encourage using 3 watches (provided by you) in case of touchpad failure.
- C. **Referee:** Please review the initial distance touchpad time and/or the 3 watch times. The Official Time is either the Touchpad Time or the Middle Watch Time if there is a verified failure of the primary timing system. This form may be certified only by the Deck Referee or their designee and must be signed and dated and retained in the meet file. This form may be required to be submitted to the NTV officer in order for entry of the split into FAST and/or SWIMS databases or must be presented should the validity of the initial split be challenged.

SWIMMER'S NAME: _____ SEX: _____ AGE: _____

USA ID #: _____ CLUB: _____

NAME OF MEET: _____ LOCATION: _____

DATE OF MEET: ___ / ___ / ___ SANCTION #: _____ YARDS: _____ METERS: _____
