CORRECTIONS: Coaches may add swimmers or events which were omitted from the original entry in error, or make corrections to their entry. All corrections are due by **10 PM, Monday, July 14, 2014**. Under no circumstances will corrections (other than changes of attachment status) be accepted after this time. For each correction, including but not limited to event or age group, clubs will be assessed \$7.00 in addition to the published splash fee. Only email corrections will be accepted. This process is to be applied only to legitimate errors, not to changed circumstances. For example, swimmers who are correctly entered in the maximum number of events

and subsequently achieve a time faster than the “max” time for an event may not use the correction procedure to switch to a different event. (Note: correction fee does not apply to late qualifiers.)

- If John Doe is omitted from a club’s entry in six (6) events, his club will be charged \$42.00 in addition to the cost of his entry. Total for John Doe \$84.00.
- If John Doe is entered in the 100 backstroke, but should have been entered in the 100 breaststroke, the fee is \$7.00.
- If a relay team is added, the charge will be \$20.00 plus splash fee. Total for additional relay \$32.00.

If any entry times must be corrected, the fee will be \$7.00 per correction. In accordance with CSI rules, proof of time is required and this procedure shall **not** be used to improve seed times, including a change in course. Prior to correcting entry times, the original proof of time will be checked to ensure the correction is not an improvement in seed time.

OVERSUBSCRIPTION: The sponsor reserves the right to make adjustments based on the time study and other factors with approval from Program Operations. Teams will be notified of any changes no later than Monday, July 14, 2014.

SEEDING: All conforming times, i.e. LCM times, will arranged in time order, followed by non-conforming times, i.e. SCM/SCY times in time order. After arranging times in this manner, events other than the 400M Freestyle will be seeded in the normal fashion and swum slowest to fastest.

DISTANCE EVENTS: The 10/U and 11/12 400M Freestyle shall be swum fastest to slowest alternating girls and boys. Swimmers must provide their own timers.

RELAYS: Names of eligible relay swimmers and order of swimming shall be submitted to the clerk of course or head lane timer prior to the start of the heat in which such relay team is entered. All relay teams must submit a relay card, with the names of relay members, in the correct order of swimming position to the head lane timer prior to the start of that relay’s heat assignment. No changes will be permitted thereafter. Heat and Lane designation must be stated on the relay card. Athletes that fall within the championship birthday period may only participate in relay events within their actual age the first day of this meet.

SCRATCHES: Scratch sheets will be provided in coach's packets. These sheets **MUST** be returned 30 minutes before the session begins or as indicated by the meet manager, with scratched swimmers clearly identified.
