1. SAFETY AUTHORITY

The safety for this event will be coordinated through the Quassy Amusement Park and the Town of Middlebury Volunteer Fire Department. Quassy Life-guards have provided safety services for CT Swimming Open Water events for several years.

The lifeguards are equipped and capable to respond to any aquatic or medical emergencies on the course and if needed will transfer emergency care to the Middlebury Volunteer Fire Department who will be aware of the event and be on-call to provide paramedic services. First Aid will be available on the beach at the medical tent.

The Safety Director, Safety Officer, Medical staff and safety patrol boats will communicate via the event radio network and mobile phones as necessary.

There will be 8 – 10 Kayaks or rescue boards with Lifeguards located throughout the course.

There will be two safety boats on-course to monitor swimmer's safety.

There will be course officials located on safety boats and kayaks throughout the course.

2. COMMUNICATIONS PLAN

The safety patrol boats will utilize the event radio network and mobile phones as necessary, and will be in contact with Race Operations, and Safety Officer via mobile phone.

Communications between lifeguards in kayaks and all parties will be through Whistles and hand signals. If Lifeguards need assistance from the Safety boats, they will blow a series of single long whistle blasts and wave orange flag.

3. SWIMMER IN DISTRESS

a. Lifeguard will activate their water rescue protocols.

b. Any swimmer withdrawing from the race must report to the nearest lifeguard or course official to identify and confirm withdrawal. Course official will radio race-control with the competitor number and direct the swimmer to return to the start area.

c. A Medical tent will be maintained on the beach in the Start/Finish area manned by a Fire / Res-cue staff.

d. Swimmers needing emergency medical care on the water will be administered by on-duty Lifeguards and then Fire/Rescue staff at the beach.

e. Swimmers requiring evacuation via ambulance will be transported to Waterbury Hospital, approx. 6.5 miles from the venue.

4. MISSING SWIMMER PROTOCOL

- a. All swimmers will be required to provide a personal cell phone contact and a coach/handler cell phone contact at registration.
- b. All swimmers will be issued a competitor number during the registration process. This number will be recorded in writing as the swimmers pass through the final inspection/accounting prior to the start
- c. All swimmers will be video taped during the final inspection/accounting prior to the start as they pass through the gate to the beach starting area.
- d. If a swimmer is reported missing and last seen in the water: Lifeguards will activate their underwater search and recovery protocol and the Middlebury Volunteer Fire Department will be notified. Concurrently, meet operations will attempt contact with the coach/handler and swimmer via cell phone. Meet Operations will also review the start list, withdrawal list, and view the pre-race video tape to confirm the swimmer actually started the race.
- e. All swimmers are reminded before the race start that they must report to the nearest lifeguard or course official if they withdraw from the race. All swimmers who depart from the water will be identified by their race number.

5. SUPPORT VESSELS

- a. The following vessels will be used:
 - i. Referee / Safety Boats – 1 to 2
 - ii. Turn Judge Boats - 5
 - iii. Paddle Craft - 8 to 10
- b. All vessels Captains will attend a briefing by the Safety Officer.
- c. Spare vessels will remain clear of the course unless summoned by race control.
- d. Once the course has been set, the Course Officer vessel will remain clear of the vessel exclusion zone unless summoned to the course by the Referee or race control.
- e. All official's/Safety boats will be equipped with event radios on the race control network.

6. PARAMETERS FOR ABANDONING THE RACE

- a. Each of the following individuals is fully empowered to independently order the race abandoned due to unsafe course or other conditions:

Meet Referee
Safety Officer
Meet Director
Quassy Amusement Park Management

- b. If the race is to be abandoned, Race Control will relay via radio to all vessels to signal abandonment. Simultaneously, the Safety Officer will signal to Lifeguards for race abandonment. The abandonment signals will be:

From Officials Boats – 5 short blasts of the whistle followed by one long blast.
From the Lifeguards – 5 short blasts of the whistle followed by one long blast.

- c. Swimmer actions are to:
 1. Discontinue swimming
 2. Look for directions from the Officials or water safety personnel

3. Once safe on the beach, proceed to the start/fish area and check-in.

7. Contingency Plan

- a. Due to venue restrictions, it is unlikely any change to the shape of the course will be possible.
- b. If weather conditions require, the directions of swim (CW/CCW) and the location of the start/finish structure may be changed.
- c. If the race is abandoned, it will be postponed until later the same day. If the race must be abandoned for the entire day, the race may be scheduled for a future date including the following day.
