**FEES:** Meet entry fee: Splash fees: \$12/ individual event; \$24/relay and \$12 relay-only swimmer. If no electronic entry is provided,

there is a \$12 manual entry fee per swimmer. **OUTREACH ATHLETE:** Individual event entry fees for CSI registered Outreach Athletes are waived. When submitting the meet entry, the entering club must request, in writing, that the individual entry fees be waived for the Outreach athlete(s) listed on the club's entry.

**LATE QUALIFIERS:** Any swimmer achieving an initial qualifying time during the period of July 6-10 must be entered no later than **5:00p, Tuesday July 11** by email to the meet Entry Chair. After this deadline, no late qualifier entries will be accepted. No improvements in seed time will be accepted and swimmers may not enter additional Regional events as late qualifiers if they are entered in the maximum number of events, with the following exception: Swimmers who achieve an Age Group Championship qualifying time for an event(s) on their entry, must scratch or substitute that event(s) for another Regional qualifying event. Late qualifying entries may not be included in meet program.

**CORRECTIONS:** Clubs will be given until **5:00p July 11<sup>th</sup>** to email corrections to **your respective meet host entry chair**. For new swimmers, *PLEASE email swimmer's full name, birthdate, event numbers and times*. For swimmers already in the meet, *please send name, new event number and time*. After this deadline, any addition or change to an entry will be considered a "deck entry" and subject to deck entry charges. See below for deck entry details. Improvements in seed time will be accepted. Corrections will be accepted by email only. \$15 will be assessed for each correction, scratch or addition on top of the meet entry fee where applicable. See examples below:

- If John Doe is omitted from a club's entry in six (6) events, adding John is \$15 and each of his events will garner a \$15 charge. His club will be charged \$105 in addition to the cost of his entry. Total for John Doe and his 6 events is \$195.
- Each scratch while "swapping" events will garner a \$15 charge, example, take Jimmy out of the 100 back (a scratch) and put him the 100 free (new event correction). His club will be charged \$30 for the "swap" and \$15 for the entry charge totaling \$45.
- A scratch for a single swimmer where a coach will not be in attendance will not garner a charge. Example, Larry is the only swimmer attending a session for his Team and he is scratching, and this is known ahead of time. This will be done so a coach doesn't have to attend a session just to scratch a swimmer.
- If a relay team is added, the charge will be \$24.00 plus entry fee. Total for additional relay: \$48.00.
- Deck corrections will be allowed at \$50 per correction. Adding a new swimmer is \$50. Each added event will be \$50. Each added relay will be \$50.
- The only corrections that WILL NOT garner a charge are change in attached status.
- A "**deck entry**" is any entry after the correction deadline up to the end of warm-ups on Sunday. Deck entries is a flat \$50 charge for each event for swimmers already in the database. Adding a swimmer, will garner another \$50 charge. So if you omitted a swimmer, adding the swimmer is \$50, adding the swimmer into two events is \$50 for each event (\$100). Total to add this one swimmer in two event is \$150. Please note, after warm-ups, no deck entries will be accepted for that days' events. It is up to the computer table if they will take deck entries for future sessions. Overall, please be kind to the computer table and get your deck entries in as soon as you can during warm-up.

**OVERSUBSCRIPTION:** In the event of oversubscription, relays will be cut. We reserve the right to adjust the schedule. Teams will be notified of any change no later than Monday before the meet.

**TIME TRIALS:** There will be no time trials.

#### **AWARDS**

- Medals will be awarded for 1-6 places for individual events and 1-3 places for relays.
- This meet will not be scored.

**REFRESHMENTS:** The meet host will provide this information separately.

**TIMERS:** Teams will be required to supply timers based on the size of their entry. Teams will be notified of the number of timers they will need to supply per session by the Monday before the meet. Please note that timers are required for entire session. It is the responsibility of each team and its coaching staff to organize its assigned timers and make sure they are signed in and present at the timers' meeting for each session. Please consider this well in advance and do not delay the start of the meet. Swimmers must provide their own timers for the 400M Freestyle.

**OFFICIALS:** Certified USA Swimming officials are welcome and needed to work on deck. Please email the official's contact listed on page 2.

**WARM-UPS:** All teams must warm-up under the supervision of a coach or marshal. Coaches should register in the office when they arrive in order for their teams to begin warm-up. Any swimmers who do not have a coach in attendance **MUST** report to the Meet Director and have a supervisor assigned. The following warm-up procedures will be in effect: 12/Unders and 13/18 will have their own separate warm-up lanes, assigned by teams. 12/Under lanes will have a maximum of 15 swimmers assigned per lane. 13/18 will have a maximum of 12 swimmers assigned per lane. 12/Unders will be provided with 20 minutes of general warm-up, 13/18 will be provided with 25 minutes of general warm-up. General warm-up will be followed by 10 minutes of sprint lanes and pace and circle lanes.

**PHOTOGRAPHY AND VIDEO RECORDING:** Meet Management has the full authority to restrict any and all photography and visual

recording at the meet. Photography or video recording (using cameras, video cameras, iPads, cell phones, etc) from the deck is prohibited by all individuals other than participating Coaches unless prior authorization from the Meet Referee or his/her designee has been granted. Flash photography is prohibited during the start of any heat, including whenever any swimmer is stepping up or standing on a block for the purpose of the start of a heat.

Additionally, the following “Non-Camera Zones” shall be enforced:

- Photography or video recording and the use of audio or visual recording devices, including a cell phone, is not permitted in changing areas, rest rooms or locker rooms.
- Photography or video recording (using cameras, video cameras, iPads, cell phones, etc) is not permitted in the area behind or to the side of the starting blocks at either end of the racing course(s) while they are in use for “race starting purposes” during competition and warm-ups.
- Additional "Non-Camera Zones" may be designated by Meet Management.

Any individual failing to abide by these rules may be ejected from the facility and be subject to a Code of Conduct violation at the discretion of Meet Management.

- A participating athlete directly assisting a Coach, for instructional purposes, during an event using the Coach’s electronic device

**DRONES:** Operation of a drone, or any other flying apparatus, is prohibited over the venue (pools, athlete/coach areas, spectator areas and open ceiling locker rooms) any time athletes, coaches, officials and/or spectators are present.
