**ENTRY DEADLINE:** Entry deadline for all entries is **9:00 p.m. Thursday, June 30, 2022**. Payment will be due with submission of entry. Please see PAYMENT section for details.

**LATE QUALIFIERS:** Any entered club that has a swimmer achieve an initial qualifying time during the period of **July 1-4<sup>th</sup>, 2022** must enter, no later than **5:00 p.m. Tuesday, July 5<sup>th</sup>, 2022**, using FAST Online Entries. After this deadline, no late qualifier entries will be accepted. No exceptions will be made to this deadline. No improvements in seed time will be accepted. Splash fees for late qualifiers are due on Tuesday, July 5<sup>th</sup>, 2022 by check (postmarked) or credit card. CSI reserves the right to remove the unpaid entries from the meet.

**CORRECTIONS:** The psych sheets will be posted on [www.ctswim.org](http://www.ctswim.org) and clubs will be given until **5:00 p.m. Tuesday, July 5<sup>th</sup>, 2022**, to email corrections to [office@ctswim.org](mailto:office@ctswim.org). *For new swimmers, PLEASE email swimmer's full name, birthdate, event numbers and times. For swimmers already in the meet, please send name, new event number and time.* No exceptions will be made to this deadline. No improvements in seed time will be accepted, including improvements due to changes in course. Corrections will be accepted by email only. A \$15 fee will be assessed for each correction. CSI is not responsible for entry errors based on incorrect meet files, computer/server errors, software bugs, etc. Splash fees for corrections are due on Tuesday, July 5<sup>th</sup>, 2022 by check (postmarked) or credit card. CSI reserves the right to remove the unpaid entries from the meet. Correction examples below:

- If John Doe is omitted from a club's entry in six (6) events, adding John is \$15 and each of his events will garner a \$15 charge. His club will be charged \$105 in addition to the cost of his entry. Total for John Doe and his 6 events is \$195.
- Each scratch while "swapping" events will garner a \$15 charge, example, take Jimmy out of the 100 back (a scratch) and put him the 100 free (new event correction). His club will be charged \$30 for the "swap" and \$15 for the entry, totaling \$45.

- A scratch for a single swimmer where a coach will not be in attendance will not garner a charge. Example, Larry is the only swimmer attending a session for his Team and he is scratching, and this is known ahead of time. This will be done so a coach doesn't have to attend a session just to scratch a swimmer.
- If a relay team is added, the charge will be \$24.00 plus entry fee. Total for additional relay \$48.00.

**PAYMENT:** Payment will be collected upon submission of entry by credit card or by signed check/check request. If paying by check an image of the signed check/check request must be submitted with the entry.

Make the check out to *CT Swimming Inc.* and mailed to the address below.

**PLEASE NOTE THE NEW ADDRESS.**

The results of any USA Swimming sanctioned, approved, or observed meet or a meet attested by a USA Referee will be acceptable as proof of time. Eligible times not verified in Connecticut FAST may be proven by using the Connecticut FAST custom times tool available to CSI clubs or, in the case of unattached entries, by sending an email to the entry chair, which includes the meet name, date, location, referee attestation, and pertinent page(s) of the results. In accordance with CSI policy, (Integrity Statement 1/25/94), the Club from which a swimmer's time cannot be proven, shall be fined the sum of \$100 per event. The \$100.00 fine must be paid by October 1, 2022, to the Connecticut Swimming office.

Unattached athletes not affiliated with a club should email an entry file (\*.sd3 or \*.cl2) and proof of time to [office@ctswim.org](mailto:office@ctswim.org). If meet entry software is not available, email [office@ctswim.org](mailto:office@ctswim.org) the athlete name, USA ID, age, event number, event name, time, and proof of time. Extra fees for manual entries will apply. See Proof of Entry Times section for acceptable proof.

**SCRATCHES & POSITIVE CHECK IN:** Coaches will receive an informational envelope containing entry reports for each swimmer's events upon team check in. All scratches are to be submitted to the Clerk of Course by the appropriate scratch deadlines. The scratch box and positive check in will be located with the Clerk of Course on deck. Swimmers are automatically seeded in the meet if a scratch is NOT turned in timely.

This meet will follow the National Championship Scratch Rules as specified in rule 207.11.6. Scratches from finals can only be done directly with the Administrative Referee.

After the preliminaries and/or timed finals have been seeded, any swimmer who fails to compete in an individual event, preliminary or timed final heat, in which he/she has been entered and has not been scratched will be barred from their next event. In order to swim any events remaining in the meet, the coach and/or swimmer must positively check-in with the Administrative Referee prior to the scratch deadline of that day's events. Swimmers must be present in order to declare a false start as stated by USA swimming rules.

Scratch and Positive Check in deadlines for Individual events are as follows:

Scratches for Thursday Preliminary Events: Thursday, 7:30am

Scratches and Positive Check in for Thursday Timed Final Events: Thursday,

A swimmer seeded in an A Final, B Final, C Final or D Final who fails to compete shall be barred from all further competition in the meet. It is the responsibility of the coaches and swimmers to check the scratch sheets and to scratch in a timely fashion if they do not intend to return or swim at finals. ***DISTANCE EVENTS:*** Swimmers participating in the 800/1500m freestyles MUST positively check-in and declare their intent to swim by the scratch deadline for that day's events to be seeded at their entry time.

**Thursday (W1500m/M800m) and Sunday (W800m/M1500m) Distance Freestyle Events**, will be swum as timed finals with the fastest heat (top 6) in the women's Freestyle followed by the fastest heat (top 6) in the men's Freestyle to be conducted at the beginning of the evening finals session. The remaining heats will follow a National meet format, so that the 2nd fastest heat of Men's Free will end at approximately 3:45pm and the 2nd fastest heat of the women's Free will swim in the heat prior to the 2nd fastest heat of the Men's Free. The heats will alternate women and men. The heat order and schedule will be published after the Scratch/ Positive Check-in deadline on for each of the distance sessions. Swimmers in the 800 or 1500 must supply their own timer and counter for all heats except those swum during the finals session. Swimmers need only supply their own counter if competing in the finals session. The distance session will be conducted in a 6 lane course as well.

There will be a ten-minute break after the men's 400m event prior to starting the alternating heats. The top four heats of women and men's 400m events will be run in a six-lane course. The 400m IM and 400m Free will be part of prelims and not a separate distance session so all timers will remain in place and there will not be parent timers for these events and thus swimmers do not have to provide a timer for same.

**RELAYS:** Teams participating in the relay events **MUST** positively check-in and declare their intent to swim those relays by the scratch deadline for that day's relay events. (*See the Scratch and Positive Check in section*). **Relays that do not check-in by the appropriate deadline will be SCRATCHED.** Relay participants must be declared to the Clerk of Course one hour before the relay swims but may be changed up to the time of the swim. **All relay cards must go to the computer table.**

Clubs may enter a maximum of two relay entries per relay event and are allowed one '**Relay only**' per gender. **That is ONE swimmer per gender, NOT one per relay, NOT one per day. A total of ONE male and ONE female. Swimmers entered in relay events only must be listed on the meet entry with their USA Swimming numbers and are not allowed to participate in Time Trials.** The time for each relay may be submitted as a composite. **TIME TRIALS:** Time trials will be conducted based on the availability of time in-between prelims and finals only and at the discretion of the Meet Referee, approximately 15 minutes after the completion of each preliminary session. Time trials will be conducted for those swimmers participating in individual events in the meet in accordance with USA Swimming rules. Each individual time trial will count as one of the seven individual swims allowed each swimmer (failure to show for a seeded time trial will not count towards a swimmer's total number of events allowed for the meet). Swimmers must sign up for time trials Thursday/Friday/Saturday/Sunday between 8:30am-10:00am (subject to change based on session timelines). Special consideration will be made for athletes who swim events after the deadline closes and who choose to swim that event as a time trial offering an additional deadline 10 min after that event is swum. For every 400 athletes, there will be a max 1 hour of Time Trials, not to exceed 2 hours of Time Trials. The Meet Referee reserves the right to limit Time Trials entries based on circumstances.
