LATE QUALIFIERS: Any swimmer achieving an initial qualifying time during the period of **March 8 - 13, 2017** must enter, no later than 9 PM, Monday, March 13, 2017, using FAST Online Entries. After this deadline, no late qualifier entries will be accepted. For **each** correction, including but not limited to event, age group, proof of time, clubs will be assessed \$10.00 in addition to the published splash fee (see examples below).

- If John Doe is omitted from a club's entry in six (6) events, his club will be charged \$60.00 in addition to the cost of his entry. Total for John Doe \$120.00.
- If a relay team is added, the charge will be \$20.00 plus splash fee. Total for additional relay \$34.00.

In accordance with CSI rules, proof of time is required and this procedure shall **not** be used to improve seed times. Prior to correcting entry times, the original proof of time will be checked to ensure the correction is not an improvement in seed time. Splash fees for correction fees are due on Tuesday, March 14, 2017 by check (postmarked) or credit card. CSI reserves the right to remove the unpaid entries from the meet.

WARM-UP, SCRATCH, & POSITIVE CHECK-IN PROCEDURES

CHECK-IN/WARM-UP: All clubs must warm-up under the supervision of a coach or marshal. Swimmers without a coach in attendance must report to the office and have a supervisor assigned. Lane assignments for general warm-up will be provided in the coaches' packets and are subject to the discretion of the Meet Referee. No diving will be permitted, except in the assigned lanes during one-way Sprints. Pace lanes will be available during sessions. Due to limited warm-up space, **only swimmers entered in individual events or expected to swim relays in each session may enter the pool in that session's warm-up period.**

SCRATCH PROCEDURES:

- Positive check-in is required by 5:00 p.m. on Saturday, March 18, 2017 for the 1000Y freestyle events scheduled to be conducted on Sunday, March 19, 2017. Failure to positively check-in by the stated time will result in the swimmer not being seeded into the event.
 - Any swimmer who does not scratch the event by the scratch deadline on Sunday (and did not positively check in) will be seeded at “NT”.
 - If you positively check-in and do not scratch, you will be seeded with your entry time and may swim.
 - If you positively check in and scratch, you will not be seeded in the event and will not swim.
- Except as otherwise provided in this Announcement scratch sheets must be turned into the computer table by the following deadlines: For Thursday Evening session, scratches are due no later than 4:15 pm. For the morning sessions, scratches are due no later than **7:45** am. No exceptions. For the afternoon sessions, scratches are due no later than **1:15** pm. No exceptions. If a scratch sheet is not received by the deadline, all swimmers on that scratch sheet will be considered NOT scratched and will be seeded in their entered events, except that any over-entered swimmers will be scratched from their last event(s) other than the 1000Y freestyle until they are in compliance with entry rules.
- Upon official announcement of the qualifiers from the preliminary heats of an event, scratch sheets for finals will be posted at the Administrative Referee's table. Swimmers will have 30 minutes to scratch or “declare an intention to scratch” from the finals for the event.

FAILURE TO COMPETE PENALTIES: Failure to show for a Preliminary or Timed final event will not result in a penalty. However, a missed event will count as an event entry and included in both the daily and meet event limitations.

A swimmer qualifying for a consolation or championship final who fails to compete and who has not scratched, will be barred from further competition in the meet. A swimmer who fails to appear for a final heat on the last day of the meet shall be fined \$50.00 for each event not swum. Fines must be paid before May 1, 2017. A swimmer shall not be permitted to participate in any further meets sanctioned by CSI until all fines are paid.

- *No Penalty shall apply for Failure to Compete in finals if:*
 1. The Referee is notified in the event of injury or illness and accepts the proof.
 2. A swimmer qualifying for a final heat based on the results of preliminaries notifies the Administrative Referee within 30 minutes after the announcement of qualifiers that he may not intend to compete and confirms his final intentions within 30 minutes following his last individual preliminary event.
 3. The Referee determines that failure to compete was caused by circumstances beyond the control of the swimmer.

CONDUCT OF COMPETITION

SEEDING: Seeding and lane assignments shall be in accordance with USA Swimming Rule 102.5, except as noted below. Order of heats shall be slowest to fastest, except as noted below. In order to determine seeding (i.e. the

“psych sheet”), all conforming times (SCY) shall be arranged from fastest to slowest; then non-conforming long course meter times (LCM) will be arranged fastest to slowest; followed by non-conforming short course meter times (SCM) arranged fastest to slowest. Swimmers whose entry times are identical shall be seeded by draw.

INDIVIDUAL EVENTS:

- All 10 & under events and all relays, whatever age, will be timed finals, swum slowest to fastest.
- With the exception of the 11/12 500Y freestyle (see DISTANCE EVENTS), all 11/12 individual events will be conducted as preliminaries and finals, swum slowest to fastest, with the fastest twenty swimmers returning for consolation and championship final heats in the evening session.
- With the exception of the 13/14 500Y, 1000Y and 1650Y Freestyles and the 400 IM (see DISTANCE EVENTS), all 13/14 individual events will be conducted as preliminaries and finals, swum slowest to fastest with the fastest twenty swimmers returning for consolation and championship final heats in the evening session.

DISTANCE EVENTS:

- Except for those swimming on Sunday evening, swimmers must provide a timer, who will be assigned a lane by the Meet Referee or his designee.
- Swimmers meeting the qualification in the 1000Y/800M Freestyle may enter the 1650Y/1500M Freestyle as a bonus, and vice versa. These events must be entered with pre-proven times. See ENTRIES section.
- The 13/14 and 500Y Freestyle and 400Y Individual Medley events will be conducted as preliminaries and finals, with the fastest ten swimmers returning for championship final heats in the evening session. Scoring will be for the top twenty places. **Note:** Scratching from finals results in no points earned, regardless of place in preliminaries.
- The 12/U 500Y Freestyle and the 13/14 1000Y and 1650Y Freestyle events shall be conducted on a **timed final** basis, swum fastest to slowest, alternating girls and boys. In the 1000Y, the fastest seeded heat of women and men shall be conducted as the first event of finals on Sunday evening. Swimmers must supply their own lap counters, if desired. Except for those swimming Sunday evening finals, swimmers must provide a timer, who will be assigned a lane by the Meet Referee or his designee. The meet program is not the final determinant of seeding. Late entries, corrections or scratches may impact which swimmers will swim in the evening. Seeding will be posted as soon as possible after the scratch deadline.

RELAYS: All 11 & Over relays will be swum during Finals on a timed final basis swum slowest to fastest. Clubs may enter one relay-only swimmer per age group per gender (10/U Girls, 10/U Boys, 11/12 Girls, 11/12 Boys, 13/14 Girls & 13/14 Boys). Swimmers entered in relay events **only** must be listed on the meet entry with their USA Swimming numbers and ages. Relay cards will be given to club coaches, who must list the relay team swimmers' first and last names in order of swim. Failure to do so will prevent the relay team from competing. Upon reporting to the starting block prior to the relay heat in which the team is entered, the completed relay card shall be given to the head timer. No further changes will be permitted. Incomplete or inaccurate relay cards will result in disqualification if discovered after the swim. Attention: all teams entered in Thursday's 800Y Free Relay event: Clubs may enter one relay team per each event number (7 and 8) for the 800 Freestyle Relay. Each team must provide 1 lane timer for each relay entry. Timers should be ready and in place prior to the conclusion of the previous heat.

TIME TRIALS: On a time available basis, time trials may be conducted on **Friday and Saturday only** for swimmers who have qualified and entered an individual event in the meet. Time trials will be held following the preliminary sessions if 30 minutes exists between the conclusion of a session and the scheduled start of the next session. Swimmers are limited to two (2) individual time trials during the course of the meet. Time trials are counted as individual events for the purpose of determining the maximum number of individual events a swimmer may swim each day or over the course of the meet. Time trials will not be offered for either the 1000Y or the 1650Y Freestyle events or on Sunday. Time trial entry fee is \$10.00/ individual event and \$14.00/ relay event. Time trial swimmers must provide their own timers and counters. Time trials shall be swum in the order listed in the meet program as follows. Friday: That day's events followed by the remaining events in the meet. The length of all breaks will be determined by the Meet Referee. The addition of any unpublished breaks in the competition schedule is at the discretion of the Meet Referee. Coaches and swimmers should note that entering and swimming “back to back” events, under normal circumstances of meet operation does not warrant an unscheduled break. Each club’s work assignments will be posted on ctswim.org as soon as possible after the entry deadline. Workers should appear and sign in at the pool deck office prior to the beginning of warm-ups and remain through the conclusion of finals.
