Swimmers may enter any individual event for which they qualify, but may only compete in three (3) individual events per day and a maximum of seven (7) individual events for the meet. Bonus events will be allowed for events 200yds or shorter at a qualified event to bonus event ratio of: 1:2, 2:2, 3:1.

A swimmer who has qualified for 4 or more events CAN enter bonus events, BUT must adhere to the above ratios. i.e. swimmer with 5 qualified events can enter only 3 of those events and then enter 1 bonus event. You CANNOT enter 5 qualified events and then add bonus events.

Swimmers qualified in either the 1000 or 1650 Freestyle may bonus the alternative distance event if they have not achieved the qualifying standard in that alternative distance event; however the swimmer must have an official time for the alternate distance bonus that has achieved the bonus qualifying standard during the qualifying period. Swimmers who take advantage of this distance bonus MUST enter the event that allowed them the bonus. i.e. A

swimmer has the 1650 qualifying standard, **MUST** enter the 1650 in order to enter the 1000 and vice versa. This will count towards the total number of allowable bonus swims for an individual.

SEEDING: All conforming SCY times will be seeded first, followed by LCM entry times, and finally bonus times. Prelims will be seeded in accordance with USA Swimming rules 102.5 unless otherwise stated herein. Events will be swum slowest to fastest unless otherwise stated herein. See *DISTANCE EVENTS* section.

ENTRIES FROM ATHLETES WITH NO CLUB AFFILIATION: Athletes entering this meet independent of a USA Swimming club or coach shall: 1.) be under the supervision of a USA Swimming coach for the duration of the meet. It is the swimmer's responsibility to make arrangements with a USA Swimming member coach prior to the meet. Athletes unaccompanied by a USA Swimming coach will not be permitted on deck. Please contact the Meet Director for assistance. 2) Be certified by a USA Swimming member coach as being proficient in performing a racing start or must start each race from within the water. It is the responsibility of the swimmer or the swimmer's legal guardian to ensure compliance with this requirement. The name of the USA Swimming member coach supervising the athlete and racing certification should be submitted to the Meet Director with the entry.

ENTRY DEADLINE: Entry Deadline for all entries is **9:00p.m. Thursday February 9, 2023**. Payment will be due with submission of entry. Please see PAYMENT section for details.

LATE QUALIFIERS: Any entered club that has a swimmer achieve an initial qualifying time during the period of **February 9th through February 14, 2023**, must enter, **no later than 8:00pm, February 14, 2023**, using FAST Online Entries. After this deadline, any addition or change to an entry will be considered a "deck entry" and subject to deck entry costs, see below for explanation. No improvements in seed time will be accepted. Splash fees for late qualifiers are due on **February 14, 2023**, by check (postmarked) or credit card. CSI reserves the right to remove the unpaid entries from the meet.

CORRECTIONS: The psych sheets will be posted on ctswim.org and clubs will be given until **8:00 pm February 14, 2022**, to email corrections to office@ctswim.org. After this deadline, any addition or change to an entry will be considered a "deck entry" and subject to deck entry costs. No improvements in seed time will be accepted, including improvements due to changes in course. Corrections will be accepted by email only. \$15 will be assessed for each correction on top of the meet entry fee. See examples below:

- If John Doe is omitted from a club's entry in six (6) events, adding John is \$15 and each of his events will garner a \$15 charge. His club will be charged \$105 in addition to the cost of his entry. Total for John Doe and his 6 events is \$195.
- Each scratch while "swapping" events will garner a \$15 charge, example, take Jimmy out of the 100 back (a scratch) and put him the 100 free (new event correction). His club will be charged \$30 for the "swap" and \$15 for the entry, totaling \$45.
- A scratch for a single swimmer where a coach will not be in attendance will not garner a charge. Example, Larry is the only swimmer attending a session for his Team and he is scratching, and this is known ahead of time. This will be done so a coach doesn't have to attend a session just to scratch a swimmer.
- If a relay team is added, the charge will be \$24.00 plus entry fee. Total for additional relay \$48.00.
- A "**deck entry**" is any entry after the correction deadline up to the end of the

meet. Deck entries will garner a \$50 charge on top of the entry fee. So if you omitted a swimmer, adding the swimmer is \$50, adding the swimmer into two events is \$50 for each event (\$100) plus the \$15 per event entry fee. Total to add this one swimmer in two event is \$180.

Splash fees for all corrections are due on **Thursday before the meet starts**, by check (postmarked) or credit card. CSI reserves the right to remove the unpaid entries from the meet.

PAYMENT: Payment will be collected upon submission of entry by credit card via the CSI Website or by signed check/check request. If paying by check an image of the signed check/check request must be submitted with the entry. The check must then be mailed to the address below.

Connecticut Swimming
68 Nichols Avenue

PROOF OF ENTRY TIMES: All entry times must be pre-proven. The results of any USA Swimming sanctioned, approved, or observed meet or a meet attested by a USA Referee will be acceptable as proof of time. Eligible times not verified in Connecticut FAST may be proven by using the Connecticut FAST custom times tool available to CSI clubs or, in the case of unattached entries, by sending an email to the entry chair, which includes the meet name, date, location, referee attestation, and pertinent page(s) of the results. Failure to pre-prove an entry time will prevent the swimmer from being entered in that event. Proof of time is the responsibility of each coach. In accordance with CSI policy, (Integrity Statement 1/25/94), the Club from which a swimmer's time cannot be proven, shall be fined the sum of \$100 per event. The \$100.00 fine must be paid by May 1, 2023, to the Connecticut Swimming office.

Unattached athletes not affiliated with a club should email an entry file (*.sd3 or *.cl2) and proof of time to office@ctswim.org. If meet entry software is not available, email office@ctswim.org the athlete name, USA ID, age, event number, event name, time, and proof of time. Extra fees for manual entries will apply. See Proof of Entry Times section for acceptable proof.
