CUT PROTOCOL:

If the session is oversubscribed the following protocol will be instituted IN THE ORDER PRESENTED to reduce the timeline to the required length or participation number:

1. Athletes aged 7 and Under will be cut from the meet.
2. The 13/14 single "A" time standard may be implemented for the 400 free for all 13/over swimmers.
3. The distance events (400 meters or yards or greater) may be heat limited to the first 5 heats of entries per gender in the order they were received.
4. The maximum number of events allowed per day may be reduced by one (1).
5. Visiting teams may be cut based on the date/time of the receipt of the final paid entry. If teams are cut, the host reserves the right to offer the available partial entry to the cut teams in the order that entries were received in order to fill the meet. In order to make sure there are adequate volunteers, MAC will not be affected by the above entry changes.

The host reserves the right to seek approval from Program Operations for additional changes, which may reasonably maximize participation opportunities.

Notification of any cuts or requests for changes must be made to Program Operations as soon as possible by the host. Attending teams will be notified no later than the Monday before the meet.

NOTE: If the host is required to institute the published cut protocol above, all accepted entries at the time that the cut protocol is instituted may be considered final by the host team for the purposes of financial responsibility. (i.e. teams submitting "placeholder" entries will be required to pay for the entries if the cut protocol is required).

RESERVE THE RIGHT TO MAKE CHANGES: In accordance with CSI Policies, the meet referee reserves the right to make any adjustments to the provisions of the meet announcement deemed necessary to ensure the fair and efficient running of the meet. The Meet Referee will seek Program Operations approval for all changes requiring approval. Clubs will be notified of changes no later than Monday before the meet.

Flash photography is prohibited during the start of any heat, including whenever any swimmer is stepping up or standing on a block for the purpose of the start of a heat.

Photography or video recording and the use of audio, including a cell phone, is not permitted in changing areas, rest rooms or locker rooms. Additional "No Camera Zones" may be designated by Meet Management or the meet referee.
